WELCOME TO WESTERN AUSTRALIA

HON ROGER COOK MLA, DEPUTY PREMIER; MINISTER FOR TOURISM
AND

HON ALANNAH MACTIERNAN MLC, MINISTER FOR REGIONAL DEVELOPMENT

The McGowan Government is a proud sponsor of Busselton Festival of Triathlon through its Regional Events Program.

The program was devised as a way for the Government to support medium to large events in regional Western Australia to boost tourism, increase community vibrancy and participation, and develop regional areas.

The Regional Events Program also plays an important role in positioning Western Australia as an exciting destination to visit and a great place to live by showcasing and promoting a region’s unique and diverse attractions.

Tourism is a key part of the Government’s plan to diversify the economy, create jobs and develop business opportunities particularly to help regional economies and communities in Western Australia.

Events play an important role in this plan, with the Government sponsoring a range of sporting, cultural, arts and culinary events across the State, through Tourism Western Australia, to attract visitors, encourage them to stay longer, disperse further and do more while they are here.

We hope everyone enjoys this event and takes the time to explore the South West region.

BUSSELTON FESTIVAL OF TRIATHLON

WELCOME NOTE

On behalf of Triathlon WA (TWA) we are pleased to once again be hosting the SunSmart Busselton Festival of Triathlon. This year will see the 21st edition of the festival along with the inaugural SunSmart Busselton 100. We are excited to present this new brand and event distances, while maintaining the legacy and history of the State Long Course Championships.

The festival will also see the inclusion of the Busselton Foreshore Triathlon, a sold-out event in it's first year, the ever-popular SunSmart Kids Triathlon, and the return of the Busselton Fun Run. These events together provide opportunities for the triathlon community and the wider Southwest Community to take part in. We thank everyone who has chosen to be part of the festival in 2022, whether it is as a competitor, spectator, volunteer, sponsor or exhibitor. We want everyone to embrace the spirit of the event and create fantastic, extraordinary experiences.

We look forward to celebrating your achievements over the weekend of fun filled racing.

ASHLEIGH APPS
EXECUTIVE DIRECTOR, TWA

A MESSAGE FROM OUR TITLED SPONSOR

Healthway, through SunSmart, proudly supports Triathlon Western Australia's 2022 Busselton Festival of Triathlon.

We have been working with Triathlon WA to ensure this regional event remains sun safe, as spending long periods outdoors during peak UV times can put people at risk of skin damage.

This event provides a great opportunity for everyone, including children, to lead healthy active lifestyles, enjoy the healthy food and drinks on offer and learn about spending time safely outdoors.

Triathlon WA plays a valuable role in creating healthy and sun safe environments amongst triathlon clubs across the state, and we look forward to working with them this year to create more activities and events that support good health now and into the future.

If you are competing, watching, or volunteering at this year's SunSmart Busselton Festival of Triathlon remember to follow the Cancer Council WA's recommendations to Slip, Slop, Slap, Seek and Slide. You can find more information by visiting the Cancer Council WA website at www.myuv.com.au.

Good luck to everyone participating in this iconic event!

WELCOME TO BUSSELTON

The City of Busselton is once again proud to support and host the 2022 SunSmart Busselton Festival of Triathlon, which is one of Busselton's major triathlon events. On behalf of the Council, I welcome all visitors and competitors. We always look forward to the excitement as the City comes alive with the spectacular backdrop of the Busselton foreshore to start and finish the race. The City CBD is also open for business and ready to welcome you, with many great dining and shopping experiences for all.

Please make the most of your visit to the South West in 2022, the region is a living and breathing embodiment of ancient geography, natural beauty, abundance of space, fine wine and fresh coastal air makes a holiday in Busselton the remedy to modern life.

The region is home to a thriving natural environment which includes the Leeuwin-Naturaliste National Park, the last remaining Tuart forest in the world, and the turquoise waters of Geographe Bay with its pristine sheltered beaches. Over 35,000 whales migrate past the coastline during spring each year.

I would like to congratulate the event organisers on their professionalism – in another challenging year - and extend my sincere appreciation to the sporting community for supporting this wonderful WA based event.

To the triathletes, I hope you enjoy the course, which is celebrated for being flat, fast, and fabulously picturesque. To the spectators, thanks for bringing your excitement and passion to this event. We hope to see you back here again in 2023 – if not before! We wish you all a memorable visit here in the City of Busselton and a fabulous race day. Best of luck to all.

Mayor Grant Henley
City of Busselton

Events Capital WA

The City of Busselton welcomes participants in the 2022 SunSmart Busselton Festival of Triathlon!

Nestled in the tranquil waters of Geographe Bay, Busselton and Dunsborough town sites offer amazing coastal views and just down the road, Yallingup boasts internationally acclaimed surf breaks.

It's fantastic to see so many keen competitors here for another year of action packed adventure in one of the most beautiful and pristine parts of the world.

It truly is where adventure meets nature.

A MESSAGE FROM THE RACE REFEREE

On behalf of Triathlon Western Australia, I would like to welcome all athletes taking part in the SunSmart Busselton 100, which in 2022 is also the WA State Long Course Championships. The team of technical officials appointed to the event are here to ensure that you have a safe, fun, fair and memorable event. The Athlete Information Guide contains the answers for the majority of questions you will have in regard to the event. Please take the time to read and understand the contents of the guide. Should you have any remaining queries not answered by reading the Athlete Guide or the relevant rules, I will be happy to chat with you over the event weekend. I encourage all athletes to familiarise themselves with the [Triathlon Australia Race Competition](#) rules applicable to this event. As Triathlon is an individual race against the clock, it is your responsibility to fully understand the rules and avoid infringements.

Common Blue Card Penalty- 5 minutes to be served at the next penalty box include:

- Drafting** – Failing to maintain a 12m gap between you and the cyclist in front
- Illegal Pass** – Passing on the left

Common Yellow Card Penalties- 30 seconds to be served in the nearest penalty box for include:

- Blocking**- Failure to keep left, blocking the course
- Helmet** – Failure to keep your helmet fastened when moving with your bike

Note- That any 3 infringements across the course during the event may result in a DQ

Common Red Card Penalties include:

- Littering** – Discarding items outside of the discard zones
- Electronic Equipment-** The use of any equipment including telephones, earphones, and other devices

Always remember to treat other athletes, volunteers, officials and spectators with courtesy and consideration as failure to do so is considered unsportsmanlike conduct and may result in a DQ.

We are especially fortunate to have the support of the City of Busselton and the scenic and picturesque surrounds of Geographe Bay and Tuart Forest in which to conduct the event. Littering in these environs creates a long-lasting visual impact and potential hazards for the local flora and fauna. Littering is also in contravention of the TA Race Rules .

Celebrating your achievements with family, friends, and teammates after an event of this size is an important part of racing however, the finish chute and finish line area are for athletes only. This is for the safety of you, your fellow athletes and your family and friends. Any athlete being accompanied down the finish chute by non-competitors will be disqualified.

I hope you have a great race and achieve your goals at SunSmart Busselton 100, and I look forward to seeing you all reach the finish

PRE-RACE INFORMATION

ATHLETE REGISTRATION

All participants must register in person.

You can either do this at:

203 Underwood Ave, Floreat, 6014

- Thursday 21st April 2022 between 8am and 7pm

or The Pavilion, Barnard Park, Busselton:

- Thursday 28th April 2022 between 2pm and 5pm
- Friday 29th April 2022 between 10am and 7pm

Please Note: You cannot register outside of these advertised times and you must do this in person.

Under the Level 1 Health Measures, masks will be required to be worn indoors at all times and whilst in close proximity spaces. A 2 square metre distancing rule will be in place. Please give yourself time for travel to accommodate for this during registration and bike check in.

If you have developed a medical condition since you registered to enter SunSmart Busselton 100, then please notify the Triathlon WA team on events@wa.triathlon.org.au and, where appropriate, provide a medical certificate.

REGISTRATION PROCESS:

1. *Present photo ID and e-ticket to Register:*

Upon presentation of your photo ID and e-ticket at the registration desk, you will be given your race pack which will contain all requirements for the race. It will include the following items:

- **RACE NUMBER.** It is mandatory for all participants, whether competing as an individual or in a team, to wear the race number on the front during the Run leg. Participants are advised to purchase a race number belt prior to the event. Safety pins will be supplied at Registration for those participants without a race belt.
- **BIKE NUMBER STICKER.** This must be placed on the seat pillar of your bike prior to bike check in, with the numbers stuck back to back and extending behind the seat pillar so to be visible to all race officials during the event. **Do not make any adjustments to your bike sticker. If the bike sticker is not in the exact condition that it is provided at registration you will not be able to enter the transition area.**
- **HELMET NUMBER STICKER.** These must be placed on the front and right hand side of your helmet.

PRE-RACE INFORMATION

- **ELECTRONIC TIMING CHIP.** Your timing chip is an important piece of equipment used to precisely measure your race results. You must activate this chip and ensure the correct name is displayed before leaving registration. On race day this is to be worn on your left ankle, facing out. Do not lose or forget your timing band on race day - you will not be allowed into transition without these. Limited replacement chips and bands will be available, however, any lost timing bands will incur a fee of \$100 for the chip and \$5 for the strap.
- **SWIM CAP.** You will be provided with a coloured swim cap that corresponds to your wave number. It is compulsory to wear the cap provided at the start and during the swim.
- **ATHLETE WRISTBAND.** Competitors will have to put their own wristband on their wrist during registration. This band will display your race number. It is your responsibility, at bike check in and on race day, to wear the wristband. Entrance to the transition area will be subject to participants having the wrist ID securely fastened to the wrist and will be required for removal of your bike after the event. The penalty for competing under someone else's name will result in ban for both athletes from this and future events.
- **BAG & BIKE PUMP TAG.** These are to be used on the bag provided to you at athlete check in. No other bags will be allowed into the Bag Compound Area. Bike pumps will be stored separately to bags and are not to be placed in bags. Please plan ahead, using the stickers and bag provided, to ensure that you can store your bag in the secure area on race day.
- **RACE BAG.** Your race bag is to be used to store your gear on race day if you are storing your gear in the Bag Compound Area. These bags are the only bags that will be accepted in Bag Compound and must have the sticker provided attached. No bike pumps are to be stored in race bags.

Forgetting or losing your race pack will result in a \$150 replacement fee (\$100 returned if you return the original pack).

2. Activate Timing Chip:

Before you leave the Registration Tent it is essential that you activate your timing chip details with BlueChip Timing by placing your chip over the timing pad located on the timing desk and checking your details, which will be displayed on a screen provided. If there is any issue with the chip or your details there will be timing personnel there to assist you.

If you do not start the race or pull out of the race for any reason you must return the Timing Chip to the Drop Out Clerk located at Bag Compound. Please make sure if you do hand in your chip you record your name on the lists provided.

PRE-RACE INFORMATION

3. Bike Check In:

FRIDAY 29 APRIL 2022 BETWEEN 10AM AND 7PM ONLY.

You are not permitted to check your bike in on race morning.

Once registered, you are required to check your bike into transition for the race. The bike number supplied in your race pack, must be attached to your seat pillar with the numbers showing behind the pillar prior to bike check in. Competitors are responsible for ensuring their bikes and helmets are in safe working order before presenting to transition to avoid rejection.

Technical Officials will carry out a cursory visual inspection of your bike. It is important to note this is a cursory inspection only and not a guarantee of safety. No bike will be accepted unless it passes the inspection.

Officials will be checking for such things as:

- End plugs on handle bars and profile bars
- Tyres in reasonable condition
- Brakes in working order
- Compliance with Triathlon Australia Race Competition Rules

All athletes will be allocated a bike position. There will be a separate transition for Individuals, Aquabike and Teams. Positions are allocated in category order so you will be in a similar area to all other participants in your category. Open and Long Course Legends will have separate racks. Participants must only rack in the designated place for your race number. All accessories and/or event requirements should be removed from the bike until race morning.

Helmets are not to be left in Transition over night. Triathlon WA takes no responsibility for lost or misplaced accessories. Any lost property can be handed in, and will be available for collection from Athlete Services on Friday & Sunday and Bag Compound on Saturday. Transition will be secure and monitored from the start of bike check-in, Friday 29 April until 5pm on Saturday 30 April 2022. You will be able to go to your bike on race morning to pump up your tyres, place your drink bidons and any other race gear you require. Helmet check will be on race morning. Please wear your helmet with your sticker on your way into Transition.

BIKE MECHANIC

A bike mechanic will be available for emergency repairs only in Transition at the following times only

- Friday 29 April- 10am - 7pm (Paid service)
- Saturday 30 April - Pre-race 5:30am - 7am for individuals & teams (Emergency only)
- Sunday 1 May - 6:30am - 11am (Paid service)

This is a cash only service.

RACE DAY INFORMATION

TRANSITION

Transition will be open pre-race for all athletes from 5:30am - 7am on race morning.

Helmets will be checked on race morning by Triathlon Australia Technical Officials. Please make sure that you have your helmet on and securely fastened as you approach the entrance to Transition. Please ensure you remove any bags from Transition and place them in the secure compound provided.

You cannot remove your bike on race day morning for a warm up!

BAG DROP

No bags are to be left in Transition. A complimentary bag drop will be located in the Athlete Recovery Area. Participants can drop bags off between 5:30am and 7:00am for Individuals and until 7:45am for Teams.

Gear will only be accepted in the race bag provided at registration with your race number sticker attached. Bike pumps will be stored separately to bags and must have the pump sticker attached. For COVID safety, participants will drop off and pick up their own bag, supervised by event volunteers and security staff. A numbered hanging system will be provided. Please follow the direction of volunteers and maintain social distancing. Please note, Triathlon WA accepts no responsibility for any loss or damage.

MEDICAL

Medical assistance will be available on the Course. Please ask for medical help if you have even the slightest hint you may need it. Please note - if you are transported by ambulance you could be required to meet costs involved unless you are covered by an appropriate fund. Any aid given by race medical personnel is permissible and will not lead to disqualification. However, if you receive any outside assistance you will be disqualified.

You will **not** be penalised for receiving medical evaluation on the Course. You will be withdrawn from the race only if you require transportation, IV fluids, or if medical personnel consider your continued participation presents a danger to the health or the welfare of you or others. Our medical team will have access to information you provided upon entering regarding any specific medical conditions.

CUT-OFF TIMES:

Individuals: 1hour 15minutes

Teams: 1hour

It is a one-lap, hut shaped course just like the famous jetty ones!

SWIM COURSE DESCRIPTION

Once again, the iconic Busselton Jetty becomes a key reference for the 2km swim. The entire course is on the East side of the Jetty.

A beach start awaits before swimming parallel to the jetty in a northerly direction for 750m giving spectators a great vantage point while enjoying a morning stroll on the jetty. Swimmers will then head in a North Easterly direction for 250m to the halfway mark before a right-hand turn and another 250m segment in a south easterly direction to avoid the rising sunlight. Then it's time to turn toward the beach, another 750m back to dry land and the swim exit in front of Barnard Park.

Note: Those wanting to warm up for the swim are requested to do so on the west (left hand side) of the main jetty. Each wave will be invited into the start area before their wave start. Competitors should only enter the start area via the back of the fenced area and ensure they cross the timing mats – this is to ensure all swimmers are accounted for and so we ensure everyone has started in the correct wave.

WETSUITS

The Triathlon Australia appointed Technical Delegate will take the water temperature 24 hours before race start and the reading will be displayed at race registration on Friday 29 April 2022. The water temperature will be taken again on Race Morning and the wearing of wetsuits will be conditional upon the water temperature. The expected water temp for May will be in the vicinity of 19 degrees Celsius, in which case wetsuits will be optional. Wetsuits must only be removed and left at your numbered bike rack.

- If the water temperature is **not** greater than 24.5°C, wetsuits are optional for **Age group ONLY**.
- Wetsuits are not permitted for Open Field if the water is above 22°C.
- If the combined air and water temperature are deemed dangerously low, the race referee (in conjunction with water safety) can rule it a compulsory wetsuit swim. This has occurred in the past so it is advised that all athletes bring a wetsuit.

If a wetsuit is to be worn, then:

- The wetsuit must be tight to the body while swimming. If any part of the wetsuit can separate from the body in any phase of the stroke it is considered an artificial propulsion device and the wetsuit is banned.
- The wetsuit must not be thicker than 5mm and must comply with Triathlon Australia Rules. A standard variance will be allowed to account for seams and jersey material (non-buoyant). Speedo Tri Elite Full sleeved wetsuit is **banned**.
- A full wetsuit covering arms and legs is allowed. If a swimsuit or speed suit or trisuit is to be worn.

SWIM COURSE RULES

- Athletes must wear the swim cap provided in their registration pack.
- No fins, aqua socks, gloves, paddles, snorkels or flotation devices of any kind are allowed.
- Swim goggles and facemasks may be worn.
- No individual paddlers or escorts allowed (exception Para athletes).
- Any assistance that results in forward progress being made may result in a disqualification.
- Athletes are permitted to hold on to water safety craft so long as no forward progress is made.
- Water safety and/or medical personnel reserve the right to remove an athlete from the course if deemed medically necessary.
- Athletes found not to have completed the entire swim course will be disqualified

TRANSITION PROCEDURE SWIM-BIKE (T1)

At the swim finish you will pass through a timing chute to the showers then into transition. Move to your bike to remove your swim gear (wetsuit, swim cap and goggles). Only discard your swim gear at your bike.

- Ensure your helmet is on and fastened **before** you move your bike from the bike rack.
- If you lose your timing band during the swim a replacement can be collected at transition exit.
- Race Number is optional for the bike.
- You must not mount your bicycle **until passing** the designated mount line.
- You must not touch or otherwise interfere with another competitor's equipment in the transition area.
- No portable music or communication devices to be taken on the bike course.
- If you do not intend on starting the bike course, please report to the drop out clerk in the Bag Compound, to hand in your timing chip.
- If you feel unwell after the swim, please approach transition staff and they will assist with getting medical help.

BIKE COURSE 80KM

Pedal Mafia

CUT-OFF TIMES:

Individuals: 4hour 45minutes (Swim & Bike)

Teams: 4hour 30minutes (Swim & Bike)

BIKE COURSE DESCRIPTION

The ride is a two-lap bike course totalling 80km. The bike leg exits the transition area at the southern end, directly onto Marine Terrace before turning left onto Carey Street, followed by a right turn into Geographe Bay Road for approximately 3km. Cyclists will then follow Guerin Street across Marine Terrace and right onto Navigation Way. After a left-hand turn onto Layman Road, the course continues along Layman Road through the Wonnerup town site then a left turn onto Tuart Drive and the first Aid Station.

The course continues along Tuart Drive for approximately 8km where they will complete a U-turn and retrace their route back to the Layman Road roundabout, turning right and the 2nd Aid Station. The ride continues back to Busselton along Layman Road and straight onto Peel Terrace. A right turn at Carey Street and then a left turn into Marine Terrace to the cycle U-turn at Brown Street roundabout to commence lap 2. At the end of lap 2 you will U-turn at the Brown Street roundabout then keep left and dismount before the dismount line.

Please note: Public toileting is a race violation and will likely result in a disqualification. There will be portable toilets inside the transition area for athletes use. The following toilets will be available on the bike course:

- 400m into the bike course on Geographe Bay Road
- At both Aid Stations on the bike course near the roundabout on Tuart Drive and Layman Road
- At the Penalty Box on Carey Street or Tuart Drive.

BIKE COURSE RULES

- Athletes may walk their bike if necessary but may not make progress on the bike course unaccompanied by their bicycle.
- Shoes and a top must be worn at all times while cycling
- Athletes must have their race number visible on the helmet and affixed to the bike frame. These numbers must be visible at all times on the course.
- Absolutely no drafting off another bicycle or any other vehicle is allowed. Drafting is a blue card.
- This event uses the 12m gap drafting ruling. There must be 12m from your front wheel to the back wheel of the cyclist in front.
- Athletes must ride single file on the far left side of the bike course at all times unless making a pass or for safety reasons. Athletes who fail to keep left may receive a blocking infringement.

- An athlete's draft distance may overlap the draft distance of another athlete in the following circumstances:
- In passing the forward athlete and at all times while passing through, for a period of no more than 25-seconds
- For safety reasons or making an acute turn
- For an Aid Station
- For leaving and entering the transition area
- An athlete observed deliberately discarding equipment, bidons or rubbish/trash on the course other than when entering or leaving an Aid Station will receive a red card
- Athletes found not to have completed the entire bike course will be disqualified.

If you receive a red card at any time during the event you will need to report to the Race Referee at the finish line after you have completed the race.

OUTSIDE ASSISTANCE

Assistance provided by event officials, including volunteers, is permitted but such assistance is limited to the authorised provision of drinks, nutrition and medical needs. Assistance provided by other competitors is permitted, but is limited to the provision of, drinks, nutrition, pumps, tyres, inner tubes, puncture repair kits and the repair of equipment for safety. Any other assistance from anyone else is deemed to be Outside Assistance. This includes:

- Provision of any items from another competition, which will render the donor competitor incapable of completing the race, will result in both competitors being subject to disqualification.

PENALTY BOXES

There will be two penalty boxes on each lap of the bike course. One will be on Tuart Drive on the outbound lap and the other on the inbound lap on Carey Street. You must stop at the next penalty box to serve your time penalty. Failure to stop at the Penalty Box on the lap in which the penalty occurred, could result in automatic disqualification without any right of appeal.

DRAFTING PENALTY TIME WILL BE FIVE(5) MINUTES

PENALTY BOX BEHAVIOUR

Athletes must follow instructions of Technical Officials when in the penalty box:

- Public urination (including accidental), littering, spitting or discarding clothing is a Red Card violation and will be addressed by the RR as such.
- Dialogue with the Technical Officials may disrupt the working of the area and must be limited, polite and pertaining to the event.
- Athletes must stay astride the cycle during the penalty.
- Toilet leave is allowed, however the penalty time will start on your return to the back of the line.

CYCLE AID STATIONS

There will be two cycle Aid stations on each lap of the bike course. The first is on the outward journey on Tuart Drive, approximately 200 metres after the left hand turn from Layman Road. The second will be on the return journey on Layman Road just after the right hand turn from Tuart Drive. An area to discard your empty bidons (bike bottles) and waste will be set up prior to and after each Aid Station, on the left-hand side of the road. The pick-up will also be located on your left-hand side. The Aid Stations are located at the following approx. km points on the cycle course: 13km, 27.5km, 53km, 67.5km.

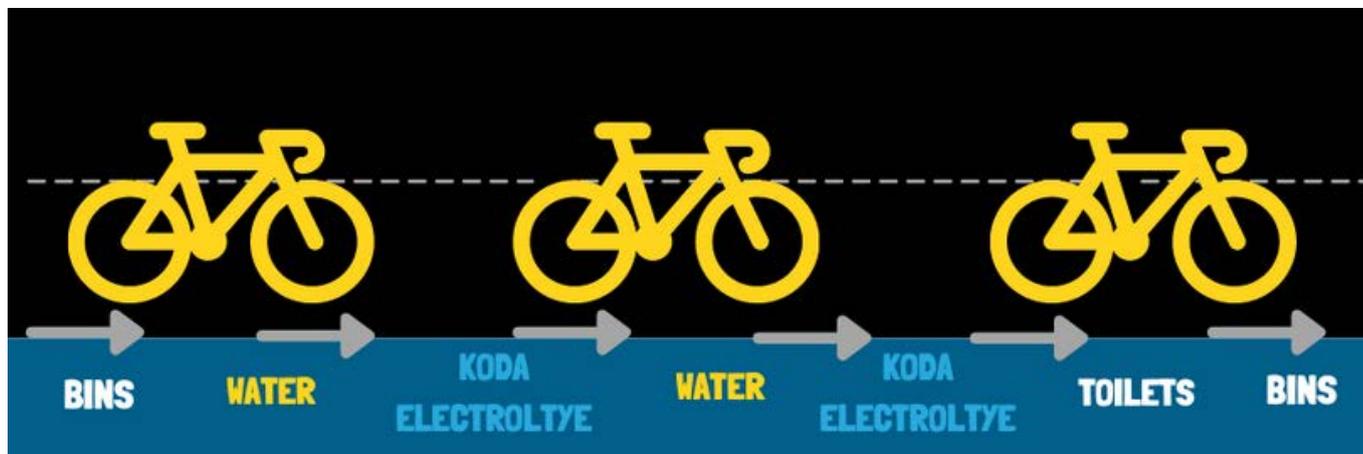

There will be water and KODA electrolyte available at the aid station. The following bidons will be available on course:

- A blue bottle will be filled with KODA electrolyte.
- A yellow bottle will be filled with water.

Please take extreme care of volunteers and fellow competitors at the Bidon Exchange. If you are discarding and/or receiving a bidon, please slow down on approach and move to the **left-hand side of the road** to allow other participants a clear course to pass on the right. Participants are reminded to slow down to ensure you secure the items you require. Participants are also reminded the Bidon Exchange, and all Aid Stations are manned by local volunteers who are generously donating their time. During the Bike Course, please only discard empty bidons and waste at the disposal area before you reach the Bidon Exchange to receive a full bidon. Competitors found discarding anything on the course other than at the disposal area will receive a red card.

Please note: there is no provision for the return of any personal bidons. Drinks will be dispersed in the following order – please ensure you slow down and call what you want loudly and clearly. Note for bike course – there will be no mobile mechanics available on the bike course. You will need to bring spares-tools to fix any punctures that you may have.

TRANSITION PROCEDURE BIKE- RUN (T2)

Ensure that you dismount before the dismount line and follow direction from the Officials and Volunteers.

- Return your bike to your allocated bike rack.
- Rack your bike before removing your helmet.
- Only discard your bike gear in your allocated area.
- You must not touch or otherwise interfere with another competitor's equipment in the transition area.
- No portable music players or communication devices to be taken on the run course.
- Your race number must also be worn on the run leg so please put this on prior to leaving transition.

RUN COURSE 18KM

CUT-OFF TIMES:

Individuals: 7hours 15minutes (Total Race Time)

Teams: 6hour 45minutes (Total Race Time)

Run Course cut off times for commencing Lap 3 of the run will apply. All Athletes will be removed from the course by the Race Director if they have not commenced their third run lap adjacent to the transition exit/run point by 2:45pm.

RUN COURSE DESCRIPTION

The 2022 run course has been designed to enhance the event atmosphere and ensure athletes receive plenty of spectator support during the 18km journey.

Exit from transition is via the northern side before turning right onto Geographe Bay Road. A short 100m section and a right turn onto Milne Street running south beside the event village. Then the first of 3 Left Hand U-Turns here before returning to Geographe Bay Road and turning right to the accolades of those enjoying the event from Club Alley. The run continues south on Geographe Bay Road past the first Aid Station at approx. 700m and another at 2.5km. At 3.2km a left turn into the carpark opposite Morgan Street and another left onto the Bike Path has runners heading west on the path with the Jetty in view for some motivation. Another 2 Aid Stations at totals of 3.5km and approx. 4.8km to ensure regular opportunities to reload.

Remaining on the bike path runners will pass the large Marine Rescue building and run adjacent to the newly completed Foreshore precinct that allows excellent viewing for spectators from the elevated grass area. Sorry no marquees or Pop-Ups allowed on here.

A left turn off the path and onto Geographe Bay Rd brings runners out near the earlier transition exit point. At this point you will receive the first of **THREE** lap wristbands to wear. It is the Athletes responsibility that they collect their wristbands from the designated area. After collecting your wristband, commence your next lap of the run.

After completing 3 full laps (and collecting your 3rd wristband), make the right hand turn onto Milne Street again. Ensure you maintain your position on the left hand side of the chute, pass the U-turn which would take you back towards Geographe Bay Road and continue straight to the finish chute. Remember - you **MUST** have collected all **THREE** lap bands prior to entering the finish chute.

RUN COURSE RULES

If an athlete receives a penalty during the Run they may be required to serve a Stop-Start Penalty on the course with Technical Officials where the infringement occurred.

- No portable music devices, or electronic items of any kind, including phones.
- No form of locomotion other than running, walking is allowed.
- Crawling is not allowed
- Athletes must wear their race number bib on the front of their top or race belt and the number must be visible at all times.
- No individual support vehicles or non-participant runners are allowed. A non-participant escort runner includes supporters, coaches, athletes who have withdrawn or athletes who have finished the race.
- An athlete observed deliberately discarding equipment, bidons, cups or rubbish/trash on the course other than when entering or leaving an Aid Station will receive a red card.
- A shirt or racing top must be worn at all times.
- Shoes must be worn at all times.
- Athletes found not to have completed the entire course will be disqualified.

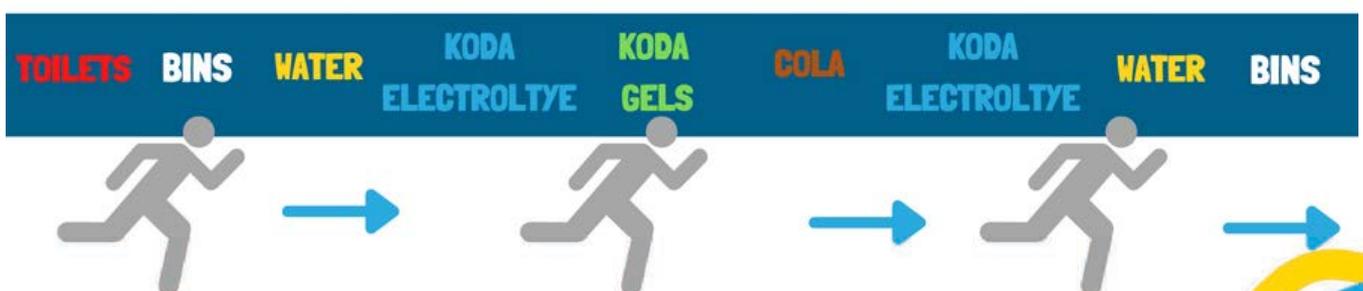

RUN AID STATIONS

- There will be four (4) Aid Stations per lap situated on the run course.
- The first Aid Station will be east side of Marine Rescue at approx. 700m
- The second Aid Station will be on Geographe Bay Road near Russell Street
- The third Aid Station will be at the same point near Russell St with access for those running west on the path
- The fourth Aid Station will be east of the Volunteer Sea Rescue building (heading west)

There will be water, KODA electrolyte, Cola, Lollies and KODA Energy Gels available at the Aid Station.

PLEASE NOTE: AID STATIONS WILL BE SELF-SERVE.

PLEASE TAKE CARE WHILE PASSING THROUGH.

INSTRUCTIONS FOR THE TEAM EVENT

These instructions are to ensure that all team changeovers are **fair and safe**. Please note, due to COVID safety there will be no separate team changeover area this year. Team member changeovers will all take place at the team's designated bike rack position:

- All team Swimmers must be wearing a timing band on their **left** ankle. They will start in waves as instructed in the race briefing. They will swim 1 lap of the swim course and exit the water.
- The team Cyclist will wait for the Swimmer at their bike in transition. The Cyclist may have his / her helmet on whilst waiting.
- The team Swimmer will meet the Cyclist at their bike. Here they will take off their timing band and hand it to the team cyclist who must put it on their **left** ankle. Only after the timing band is attached may the team Cyclist get their bike and exit the Transition. They must not mount their bike until they pass the **Mount** line as instructed by officials .
- The team Cyclist will then ride 2 laps of the cycle course observing all race and road rules as outlined in this booklet.
- Meanwhile the team Runner must estimate the expected time of return of their Cyclist. Warm up outside Transition. When they think their Cyclist will be nearing the end of the cycle leg the team Runner may enter Transition, taking care not to impede other team members.
- At the end of the cycle course the team Cyclist must dismount their bike **before the dismount sign** and run their bike back to the rack and rack their bike. Only **after** they have racked their bike can they pass the timing band to the team Runner.
- The team Runner must put the timing band on their **left** ankle and the race number on the front. They must not leave transition until this is done.
- No mobile phones, other communication or music devices are allowed to be on your person at any time during the event.
- The team Runner will then complete the run course and pass through the finish chute at the end. Other team members are able to run down to the finish with the team Runner. Please wait to join your Runner there will be an area adjacent to the transition exit/run start to meet your runner for the last 350m (see Team Meeting Point on Course Map).

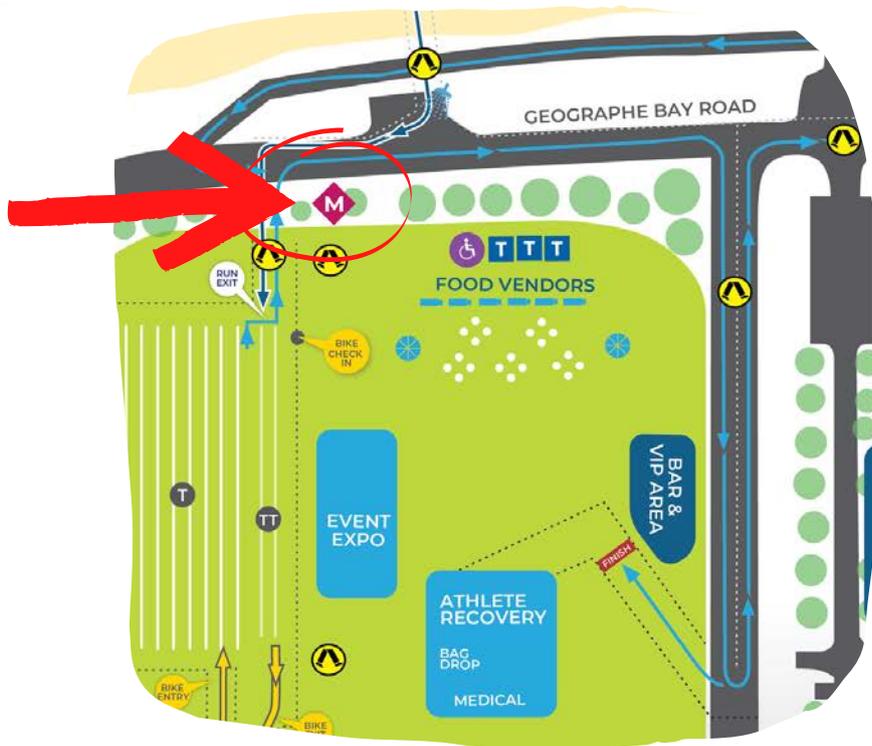

Team Swimmers and Cyclists will leave the transition are fairly promptly to reduce crowding. It is optional for team Cyclist to wear their team number on course but it is compulsory to have their team number with them to remove their bike from Transition after the race.

POINTS TO REMEMBER FOR TEAM MEMBERS:

- **Team Swimmer:** Timing band must be worn on left ankle
- **Team Cyclist:** Do not un-rack your bike until the timing band is on your left ankle. No cycling in Transition.
- **Team Runner:** The timing band must be on your left ankle and race number must be worn on your front. Please don't panic if your team member is taking longer than anticipated. In the event that your team member does not make the time cut off you will be re-chipped and allowed to do your part of the event. You will record a DNF on the results and not be considered for awards.

TEAM MEETING POINT

Please note:

This will be the only authorised entry point to join your Team members to cross the finish line

INSTRUCTIONS FOR AQUABIKE EVENT

The Aquabike participants will be similar to the Individual athletes as you are taking part in the same course minus the 18km run.

Your bike will be racked in the transition area that is set aside for Aquabike. Please look for the signs in transition so that you rack in the correct place. You will complete the swim and bike as per the individual participants and once you have completed the 2 laps of the bike course dismount at the line as directed by officials. You will rack your bike in the correct location, remove your helmet and place it at your designated spot.

Race number does not need to be worn on the bike as you have bike stickers plus helmet stickers.

The Aquabike does not finish at the completion of the bike course dismount line – you will run/ walk 350m to the finish line where you can enjoy the finish line feeling and say cheese to the camera! Due to the distance that you need to go, shoes must be worn for the 350m as a safety requirement and Race Bibs must be worn for the 350m. Your time will be recorded as you cross the finish line.

POINTS TO REMEMBER FOR AQUABIKE:

- Shoes for the 350m to finish, you can also put street gear etc. into bag compound and pick it up post-race.
- Remember only minimum equipment in the transition area – all excess gear must be dropped at bag compound.
- Race Number must be worn for the 350m to the Finish Line.
- And last of all when you get to the dismount line and breathe a sigh of relief don't forget you need to run/walk/hobble to the finish line!

TAKE CARE AND HAVE A FUN RACE!

POST-RACE INFORMATION

RECOVERY AREA

As you cross the finish line you will notice changes for COVID safety. The athlete recovery area has been re-designed as a walk-through zone immediately after the finish line. Participants are required to collect (self-serve) finishers medal/merchandise and post event nutrition and continue to exit the athlete recovery area. Medical treatment will be available if required. If you do not require any medical treatment you will be able to proceed to the other finish compound facilities where recovery products will be served.

The following products will be available in the Recovery Area:

- Water
- KODA electrolyte
- Cola
- Fruit

DNFs

If you have the misfortune of having to withdraw at any stage of the race you (or someone representing you, such as a relative or friend) must report to the drop out clerk that is located at the Bag Compound Area in the main tent and hand in the timing band. This ensures that the event officials are not searching for you.

BIKE COLLECTION

Athletes will be advised when bikes can be removed from Transition. This will occur at **approximately 1:30pm**, once the last individual athlete is off the bike course. No exceptions. This time is subject to change. You must be wearing your competitor band and your race bib number to remove any bike or equipment from Transition. Any person who removes their bike over the transition fence will face disqualification.

RESULTS

Results will be available on bluechipresults.com.au on race day and on the event website, busseltonfestivaloftriathlon.com.au by Monday morning.

PHOTOS

Official Photographer Finisher Pix will be at the finish line on race day. Try to remember in the finish chute the photographer will be there to capture your finish, so put on your best SMILE! Make sure your race number is properly displayed on your front. Photos will be available from finisherpix.com. Simply browse through the thumbnails and purchase any shots of yourself, friends and family.

LOST PROPERTY

You should identify all your personal gear and property. Mark it with your name and address if possible. If it is misplaced, it will most likely be handed in to race officials. Please note that the race organiser does not take responsibility for lost property. Any lost property handed in, will be available for collection from Bag Compound on Saturday, Athlete Services on Sunday or by calling 08 9443 9778 from Tuesday 3 May 2022. After 1 June 2022 any unclaimed lost property will be donated to charity.

BUSSELTON FESTIVAL OF TRIATHLON

COVID PLAN

Triathlon WA are complying with all current WA Government restrictions and the safety of all athletes, volunteers, staff, spectators and contractors is of the utmost importance.

Current Level 1 WA Government restrictions require 2sqm per person at all times and the use of a mask in any indoor spaces. Barnard Park has approximately 27,000m² of useable event space. This area will be delineated into athlete only and spectator zones. Signage will be positioned around the event site to encourage social distancing where possible.

REGISTRATION / PACK COLLECTION

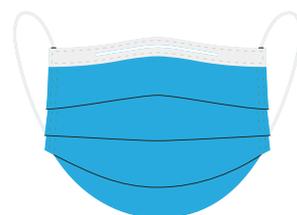

Extended hours are provided for race pack collection to minimise crowds. Masks are mandatory indoors.

Pack collection will be available in Perth at Sport HQ, 203 Underwood Ave, Floreat 6014 on:

- Thursday 21 April 8am to 7pm

Or the Pavilion at Barnard Park East on:

- Thursday 28 April 2pm to 5pm
- Friday 29 April 10am to 7pm
- Sunday 1 May 6am - 9:30am for Sunday Festival events

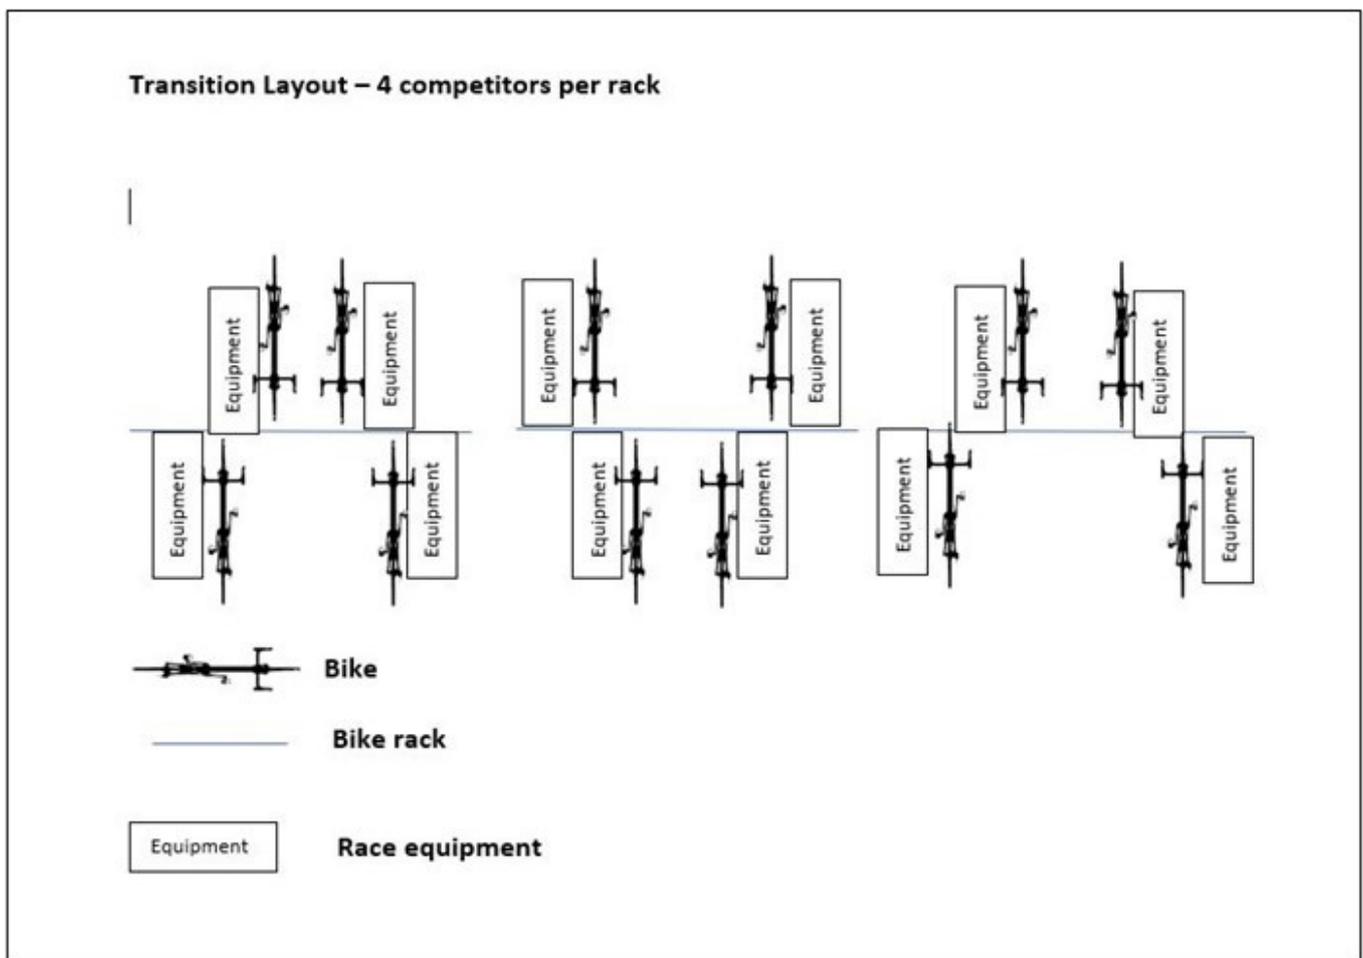

COVID PLAN

TRANSITION

Transition will be open for an extended 1.5hrs pre-event (5.30-7am).

There will be no separate team changeover area. Team member changeover will be at the designated bike rack position. Bike allocation will be spaced 1.5m apart, with four teams per rack.

For all competitors, collection of bikes will be permitted immediately following the last rider completing T2 or at bike course cut off time. Ingress/egress into transition will be via two access points. Access to Transition will be managed by event security to ensure a maximum number at any one time.

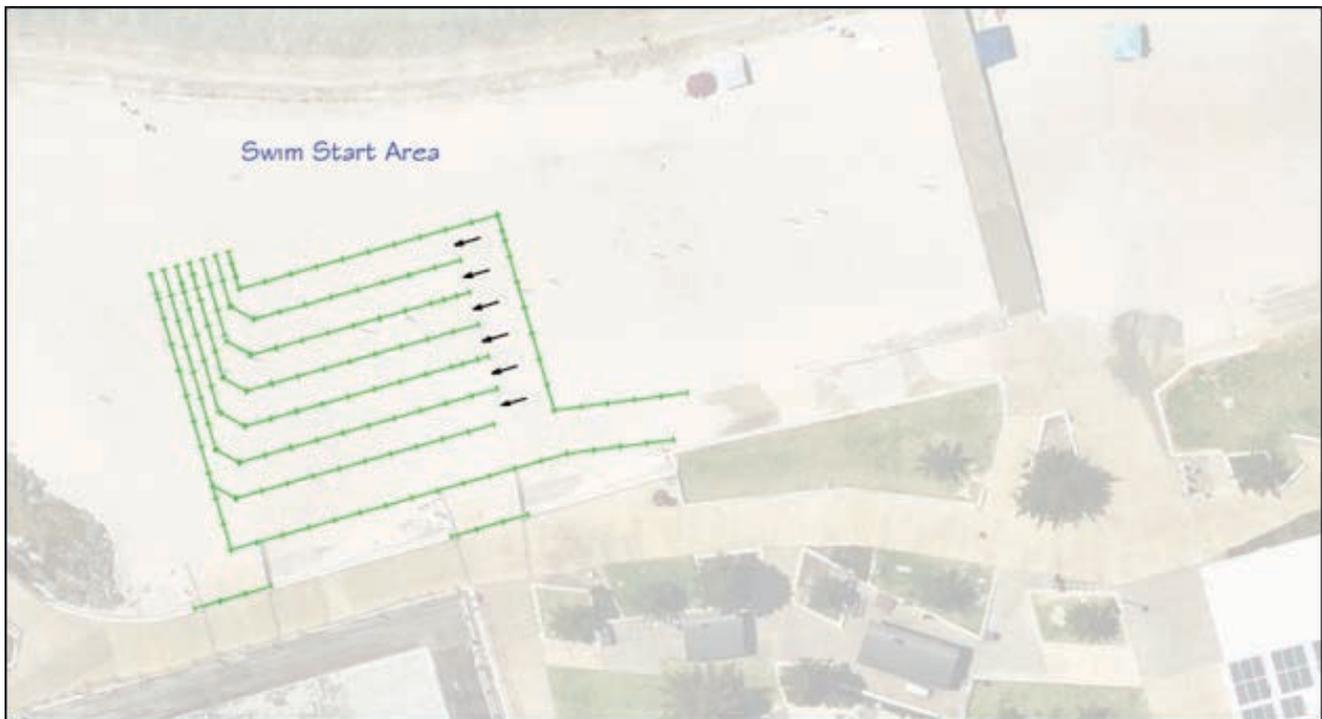

COVID PLAN

BAG DROP

Participants will drop off and pick up their bags themselves, supervised by event volunteers and security staff, with a walk-through flow.

SWIM START

Start waves will be modified with extended time between waves. Each age group will be marshalled down the ramp onto the beach and into the start area. Age group waves will queue in five chutes and start in a rolling wave start process – six athletes at a time, starting five seconds apart.

AID STATIONS

Aid stations will be stocked with appropriate PPE and volunteers will clean and sanitise regularly. Aid stations tables will be spaced further apart than normal and will operate as self-serve (except for the bike course).

ATHLETE RECOVERY

Post-event nutrition will include cups of water, Cola and KODA spaced for individual pick-up, and individually packaged nutrition.

Athlete recovery will be a walk-through zone immediately after the finish line. Participants are required to collect (self-serve) finishers medal/merchandise and post event nutrition and continue to exit the athlete recovery area.

Medical services will be conducted as per usual, with additional space provided. Cleaning frequency of high touch point positions such as tables will be rotated throughout the day.

COVID PLAN

COMPETITOR ETIQUETTE

Competitors will be actively discouraged from participating on event day if they have any fever, dry cough or shortness of breath.

The following participant etiquette is expected:

- Use your bike as a distancing guide to stay 1.5m from other participants.
- Wait until the path is wide enough prior to overtaking.
- No sharing of personal gear or equipment, particularly water bottles.
- No hugging, kissing or handshaking.

Participants are asked not to spit, blow their nose, or expel bodily fluids whilst on course.

PRESENTATIONS

Presentations will be held in a number of blocks throughout the day as category winners are determined.

STAFF AND VOLUNTEERS

All staff and volunteers will be inducted on hygiene and sanitation procedures at the event and asked to complete basic training. A number of COVID Safety Officers will manage and oversee the delivery of this COVID Safety Plan on event day. Staff and volunteers will be provided with appropriate PPE for their roles on event day and reminded to replace PPE regularly.

FOOD AND BEVERAGE OUTLETS

Food and beverage outlets will be appropriately spaced around the event site and will be required to have their own COVID Safety Plans and hygiene training.

AMENITIES

Portable toilets will be placed with greater distance between each. No showers or change facilities will be provided at the event site. Hand sanitiser and/or hand washing stations will be provided around the event site.

SPECTATORS

A live social media broadcast of the finish line will be provided to offer an alternative to attending the event. Any event village components will be appropriately spaced around the event site. The Triathlon WA Clubland section of the run course will be reconfigured to reduce the size of the crowd in any one location. Masks are not mandatory but will be encouraged in places where social distancing is not possible.

PROOF OF VACCINATION

The only proof of vaccination area applicable to the event includes the licensed VIP/bar area which is a 400 sqm space and limited to 200 patrons, and will only be operational on Saturday 30 April. There will be a managed entry and exit area where security guards will check proof of vaccination at the entry points. Only those who can provide proof of vaccination will be permitted entry. Persons not willing to provide proof of vaccination will not be permitted entry. Please note, SafeWA registration is also mandatory at the entry to the bar area.
